DECLARATION ON SECOND MONETARY ZONE

We the Heads of State and Government of the
Republic of The Gambia,
Republic of Ghana,
Republic of Guinea,
Republic of Liberia,
Federal Republic of Nigeria, and
Republic of Sierra Leone

MEETING IN ACCRA ON 20 APRIL 2000

RECALLING the ECOWAS Fundamental Principles and the provisions for the establishment of an economic and monetary union as stipulated in Articles 3 and 51-55 of the ECOWAS Treaty of 1993;

REAFFIRMING our collective resolve to take all possible measures at the national and regional levels towards the achievement of the economic and monetary union of West African countries;

RECOGNISING the additional effort that our countries require to make to satisfy the ECOWAS conditions for the establishment of a single monetary zone by the year 2004;

DETERMINED to act together in the spirit of regional solidarity to facilitate the process of further restructuring our respective national economies within the ECOWAS framework of regional integration;

ENCOURAGED by the increasing importance that is being accorded regional cooperation and integration by each of the participating countries and our development partners;

EXPRESSING gratitude to the current Chairman of the ECOWAS Authority of Heads of State and Government, His Excellency Alpha Oumar Konaré, President of the Republic of Mali for his presence at the Summit and personal support of the initiatives towards an acceleration of the regional integration process;

UPON RECOMMENDATION by the Convergence Council of Ministers of Foreign Affairs, Finance, Economic Planning, Cooperation and Integration, Trade and Commerce, Governors of Central Banks meeting in Accra on 19 April 2000;
HEREBY DECLARE AS FOLLOWS:

Commitment to Accelerating Regional Integration in West Africa

1. Each Member State is fully committed to the ECOWAS Authority decision taken in Lomé on 10 December 1999 to adopt a fast-track approach to ensure an accelerated implementation of ECOWAS integration programmes, as re-affirmed at the Ministerial Meeting in Bamako on 29 January 2000.

Establishment of Second Monetary Zone

2. Member States commit themselves to the creation of a second monetary zone in West Africa by January 2003 based on the conditions adopted by the ECOWAS Authority for the establishment of a single monetary zone.

3. In recognition of the difficult adjustment efforts needed to achieve the targets set for macroeconomic policy convergence, Member States agree to undertake concerted action to attain the following quantitative primary convergence criteria:

   (a) single digit inflation rate by the year 2000 and 5% by 2003;

   (b) gross external reserves to cover at least 3 months of imports by end 2000 and 6 months by end 2003;

   (c) central bank financing of budget deficit to be limited to 10% of previous year’s tax revenue;

   (d) budget deficit (excluding grants) to GDP ratio of not more than 5% by 2000 and 4% by 2002.

4. The six secondary criteria adopted under the ECOWAS single currency programme will also be observed in support of the above four criteria.

5. Member States undertake to establish an effective macroeconomic data base within each country and at the sub-regional level as essential support for the multilateral surveillance mechanism.

6. In order to accommodate the monetary and fiscal pressures that this regional macroeconomic harmonisation programme will exert on individual national economies, Member States agree to establish an appropriate regional compensation and stabilisation arrangement in support of the commitments to be met under the monetary integration programme.
Modalities of Implementation

7. Member States adopt the recommendations of the Convergence Council including the attached Action Plan which outlines the programme of activities to be undertaken in four stages ending in December 2002, to be followed by the commencement of the Second Monetary Zone in January 2003.

Institutional Arrangements

8. Member States agree on the following institutional arrangements:

    (a) Summit of Heads of State and Government

    (b) Convergence Council of Ministers and Governors of Central Banks

    (c) Technical Committee assisted by the Task Force

    (d) Common Central Bank

General Undertaking

9. Member States recognise the need for strong political commitment and undertake to pursue all such other national policies as would facilitate the regional monetary integration process. In this regard, national economic management programmes will be formulated and implemented to reinforce the monetary integration objective. This concerned approach is to be reflected in Member States interactions with all their relevant development partners.
